The Company shows a net loss brought about by the disposal of its wholly owned subsidiary.

**Material Changes in the Financial Statements**

There were no material changes in the financial statements as of the period ended September 30, 2020.

### **Other Reporting Disclosures**

There are no events that will trigger direct or contingent financial obligation that is material to the Company, including any default or acceleration of an obligation.

There are no:

1. Known trends, demand, commitments, events or uncertainties that will have material impact on the Company's liquidity;
2. Issuances, repurchases, and repayment of equity securities;
3. Material commitments for capital expenditures;
4. Known trends, event or uncertainties that have or that are reasonably expected to have favorable or unfavorable impact on sales/revenues/income from continuing operations;
5. Significant elements of income or loss that did not arise from the Company's continuing operations;
6. Seasonal aspects that had a material effect on the financial condition or result of operations;
7. Material off-balance sheet transactions, arrangements, obligations (including contingent obligations), and other relationships of the Company with unconsolidated entities or other persons created during the reporting period.

### **Financial Risk Disclosure**

At present, the Company has no operations and as such, is not exposed to any financial risk. Furthermore, the Company has no financial instruments.

### **Plan of Operations**

As of September 30, 2020, the Company has yet to identify a feasible investment opportunity. When the Company has been able to identify such a viable project, it will then pursue capital raising activities either by way of a rights offering, public offering or private placement transaction. Since there is no operation and no business opportunity at this time, the Company can satisfy its cash requirements and there is no need to raise additional funds in the next twelve (12) months. Furthermore, the Company has no any product research and development, no expected purchase or sale of plant and significant equipment and no expected significant changes in the number of employees. Also, the Company's stockholders have advanced and are willing to advance monies to satisfy the cash requirements of the Company.

### **PFRS 9, Financial Instruments: Classification and Measurement**

The adoption of the first phase of PFRS 9 will have an effect on the classification and measurement of the Company's financial assets, but will potentially have no impact on classification and measurements of financial liabilities.
